Yearly Update on Verticals 2024 - Thank you!

We hope you all enjoyed our Third Yearly Update on Verticals as much as we did!

During a 2-hour lunch session on 10 October 2024, our DLC contributors provided participants with key insights into the 2023-2024 developments on vertical agreements.

It was a resounding success with more than 340 attendees joining our free online session.

Thank you to our moderators, Filip Tuytschaever and Stefanie Colaers, and our speakers, Sara Estima Martins, Minos van Joolingen, Mario Krka, M?ra Stabulniece, Olivier Leroy, Anastasia Dritsa, Marie Løvbjerg, Moritz Lorenz and Annabel Borg, for their valuable and insightful presentations.

If you missed the webinar, don’t worry! The slides are now available on our website, and a recording of the event, along with a Q&A document addressing questions raised during the session, will be available soon.

Access the slides via this link and to not hesitate to share them with your network! ?
